

ACCT 101: Group Projects

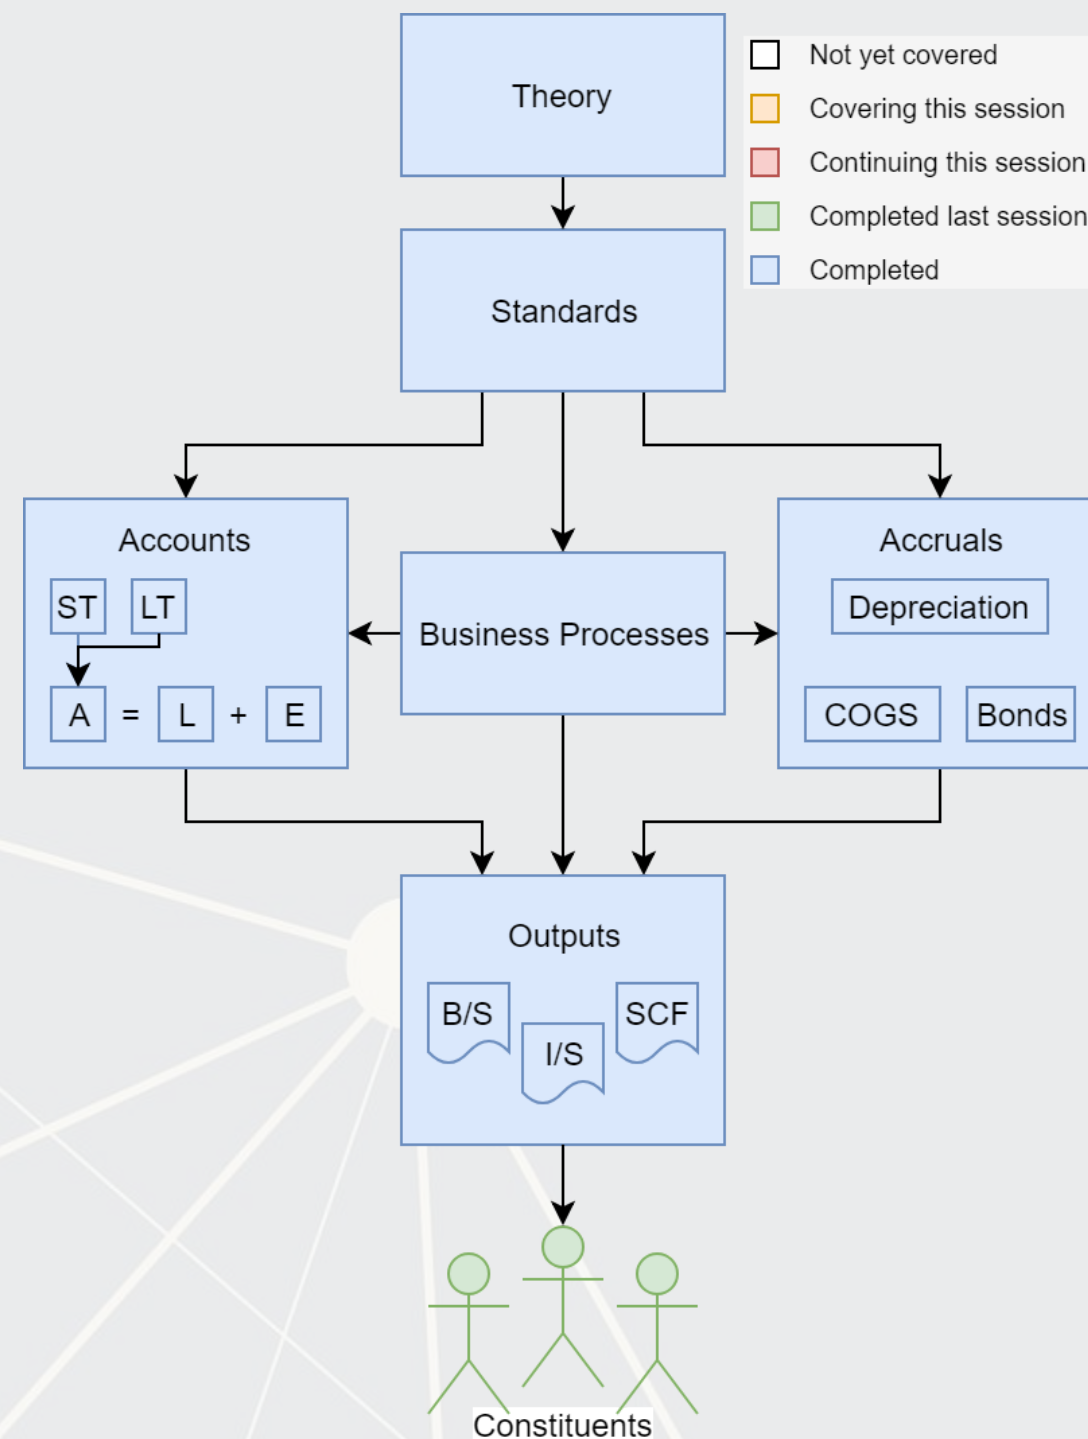

Session 12

Dr. Richard M. Crowley
rcrowley@smu.edu.sg
<http://rmc.link/>

Front matter

Learning objectives

1. Learn about real-world issues and the financial accounting aspects involved
2. Share your expertise with the class

Ground Rules

- 12-15 minutes per group
 - You'll get a 2 minute warning at 13 minutes
 - At most 1 question after each presentation
 - Ask if you are curious about something
- When not presenting
 - Give your full attention

End of FA class sessions

What's left?

1. Homework 5 feedback
2. Many practices on eLearn
3. Office hours
 - By appointment: Sign up through booking site on eLearn
 - Limited slots – if you can, please email your questions
 - With Amanda (TA): Sign up via Telegram message directly
4. Review session
 - November 17, 1:00pm-3:00pm
5. Final exam
 - November 30, 8:30-11:30am
